

MPV Self-Evaluation Practice Appraisal

MPV Consulting Services - Fax Back Application

The Cost:

only \$899.00 (excluding gst)

Priced as a management tool!

The *MPV Self-Evaluation Practice Appraisal* is intentionally priced to make it feasible for any practice owner to have an appraisal performed every 1-2 years. This will allow practice owners to not only determine a current value for their practice but also to plan improvements and monitor the value of their practice on a regular basis. A MUST for any succession plan!

Guarantee

The *MPV Self-Evaluation Practice Appraisal* comes with a 10 day delivery guarantee. MPV guarantees to place the final appraisal document on Express Post back to you within 10 working days. If we cannot fulfill this promise then we will refund the cost of your appraisal in full. The 10 days starts from when we have received your completed worksheets and you have given satisfactory replies to any queries on your practice self-appraisal inputs.
